

## What Is the Sports Premium Grant?

The Sport Premium Grant is designed to support primary schools improve the quality of Physical Education (PE) they offer their pupils. The PE and sport premium is paid directly to primary schools and is ring-fenced to spend on improving the quality of PE and sport provision for all their pupils. In 2016/2017 Primary schools in England with 17 or more primary-aged pupils received a lump sum of £8,000 plus a premium of £5 per pupil. This cross-government funding is provided by the Department for Education, with contributions from the Department of Health and the Department of Culture, Media and Sport.

The objectives of the Primary PE and Sport Premium funding are:

1. To improve the quality of PE and sports provision for all pupils.
2. To increase participation levels in competitive sport and healthy activity of pupils.
3. For schools to understand and value the benefit of high quality PE and sport.
4. To increase the quality of initial teacher training in PE and sport.

### Our Vision:

### In order to achieve our aims we will:

- Ensure that all our pupils have a minimum of 2 hours of high quality physical activity a week through PE lessons.
- Provide a wide range of daily extra-curricular opportunities through breakfast clubs and after school clubs with an Intra school sports competition.
- Train and support class teachers regarding all aspects of PE including staff CPD to ensure best practice.
- Support and engage less active children through new or additional Change4Life clubs.
- Run and enter range of sport competitions, increasing pupils' participation in the Level 2 School Games.
- Purchase and maintain equipment to maximise the opportunity and progression of our students in PE and sport.
- Strengthen our relationships with sporting organisations building club links as a gateway for pupils to continue participation beyond the schools provision.
- Raise the profile of our sports through celebratory assemblies, school newsletter and social media activity.

### How Have We Used The Sports Premium Grant?

So far we have been successful in the following over the last two years:

1. Been involved in a successful Tier 3 partnership with the Central Sports Partnership.
2. Entering a greater number of Level 2 School Games competitions.
3. Building relationships with other schools to link up and give the students experience in friendly competitions.
4. Building on extra-curricular provision to ensure more students are reaching the two hour offer.
5. Achieving the Silver Youth Sports Trust Award.
6. Building on our Outdoor and Adventurous Activity provision through day visits at Edgbaston reservoir.
7. Achieving the Bronze School Games Mark.

### What Have We Planned For 2017-18?

We are committed to ensuring that all our pupils have the opportunity to develop skills and fitness in both competitive and non-competitive sports as well as increase knowledge of health and wellbeing. To achieve this goal over the next two years, we will continue to:

Ensure that children have a minimum of 2 hours of high quality physical activity a week through PE lessons and extra-curricular opportunities.

1. Continue with the training and support to the class teachers in all aspects of PE.
2. Continue to support and engage less active children through C4L clubs offering more pupils more opportunities to be active.
3. Continue to run and enter a range of sporting competitions, increasing pupils' participation in the School Games as well as identifying nurturing and developing talent.
4. Purchase new and maintain current equipment to maximise the opportunity and progression of our students in PE and sport enabling us to offer a wider range of sports with age appropriate specialist equipment.
5. Continue to offer all pupils the opportunity to access a wide range of after- school sports clubs.
6. Continue to strengthen our relationships with sporting organisations such as local sports clubs and other schools.

### Swimming:

We started our Swimming block in September with Year 5 students. Unfortunately our local pool Small Heath Swimming Baths was closed down for emergency repairs towards the end of the Autumn term and did not re-open despite promises of only a couple of weeks. As such we were unable to complete any further swimming sessions. We will aim to re-start these sessions again 2017-2018 and will have to relocate to a new swimming centre as the pool is till currently closed.

<b>Meeting national curriculum requirements for swimming and water safety</b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters?	%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No - We will endeavor to do this in the next academic year.
