

## KS3 Computing Curriculum Overview 2018-19

	Aut1	Aut2	Spr1	Spr2	Sum1	Sum2
<b>Year 7</b>  <b>Computer Science</b>	Project 1			Project 2		
	File Management	Kodu Visual Programming	Network Systems	Boolean Logic	Prezi	QR Coding
	E-safety  Modelling	Python Programming  Architecture (Google Sketchup)	System Algorithms	Advanced Databases	Cryptography	Website Development

	Aut1	Aut2	Spr1	Spr2	Sum1	Sum2
<b>Year 8</b>  <b>Computer Science</b>	Project 1			Project 2		
	Systems Architecture	Wired & Wireless Networks	System security	Text Based Programming	HTML	Collaborating in the Cloud
	Memory  Storage	Network topologies, protocols and layer	System software  Ethical, legal, cultural and environmental concerns	Computing Maths & Binary	Smart Homes	Using Information
