Dear Parents/ Guardians of Primary

As-salaamu 'alaikum wa-rahmatullahi wa-barakatuhu

Re: Cancer Research

We hope and pray that this letter finds you in the very best of imaan and health.

As many of you will be aware, cancer is a life changing disease and will affect 1 in every 2 people according to recent research.

Alhamdulliah, there are people always carrying out valuable research and trying to combat this disease and find ways to develop new treatment so that with the help of Allah more people are cured and have longer life expectancy.

Cancer Research is a well-established charity helping to develop more treatment and have been established for many years in the UK.

On **Sunday 14th October 2018** Br Shawkat (our Deputy Head Teacher) will be running the Birmingham half marathon trying to raise money for this charity. The primary children will be getting involved by trying to complete the half marathon as a class. Each class has been tasked to work out the number of times they will have to run around the playground and the time it will take them. This is also a very engaging way to introduce some Maths, Science and PE in real life context. On the reverse of this letter there is a sponsorship form for your child. Please encourage them to get involved.

The forms must be returned with the money to their class teacher by **Friday 12th October 2018**. There will be awards for the top 3 pupils raising the most money.

Pupils and parents can support Br Shawkat during the run as spectators. Please see website for more details.

Jazak'Allah hu khayrun for your continuous support and cooperation.

Wa salaam

Br. Arshad Mohammed
